MHSIBCA SCHOLARSHIP FOUNDATION

The Michigan High School Interscholastic Bowling Coaches Association is guided by the philosophy of the Michigan High School Athletic Association which emphasizes that "...learning is more important than winning," and we are involved in "...educational athletics." Our MHSIBCA Member Coaches are, first of all, teachers of student/athletes and then coaches.

To support that philosophy, the MHSIBCA has instituted a Scholarship Foundation for student/athletes of Member Coaches. Businesses, Organizations, and Persons are encouraged to support the Foundation with donations. Those doing so will receive a certificate of appreciation and a noteworthy listing on various publications and the MHSIBCA web site. A listing of support levels, and those contributing is posted below.

Please join us in building our Scholarship Foundation. Those wishing to contribute to the MHSIBCA Scholarship Foundation should contact: [MHSIBCA](#).
