MEMBERS OF ALL STATE TEAMS WILL BE PRESENTED THEIR AWARDS AT THE MHSIBCA ANNUAL AWARDS BANQUET ON APRIL 10 - ROYAL SCOT LANES IN LANSING

2011 ALL STATE TEAMS (WILL BE POSTED ON THURSDAY - MARCH 24, 2011)

PLEASE NOTE: The All State Team Selection Committee wishes to thank all of the Coaches who submitted applications for the All State Teams. Once again, they would like to point out that several student/athletes who might have been eligible for All State did not have applications sent in by their coaches. Also, some applications were incomplete, with official documents missing. This caused some student/athletes to have lower point totals. The committee had to review more than 250 applications, but there are nearly 5,000 student/athletes involved in High School Bowling. Some teams have more than five members due to ties in point totals, as there were no fractions involved in placements.
